### THE STORY:

In the madcap comedy tradition of *Lend Me a Tenor*, the hilarious *Moon Over Buffalo* centers on George and Charlotte Hay, fading stars of the 1950s. At the moment, they're playing *Private Lives* and *Cyrano De Bergerac* in rep in Buffalo, New York with five actors. On the brink of a disastrous split-up caused by George's dalliance with a young ingénue, they receive word that they might just have one last shot at stardom: Frank Capra is coming to town to see their matinee, and if he likes what he sees, he might cast them in his movie remake of *The Scarlet Pimpernel*. Unfortunately for George and Charlotte, everything that could go wrong does go wrong, abetted by a visit from their daughter's clueless fiancé and hilarious uncertainty about which play they're actually performing, caused by Charlotte's deaf, old stage-manager mother who hates every bone in George's body.

### CASTING:

Adults, age 20-85; all ethnicities.

*NOTE: Roles that call for a specific ethnicity or type will be open for consideration of actors of other ethnicities. The ages listed are approximate. Actors cast should be able to "play" these ages. In reference to the character descriptions below - The characters in this show are on the binary and written with he/him or she/her pronouns as you will see in the following descriptions. However, we seek to be as inclusive as possible and ask gender non-conforming, gender queer, transgender and non-binary actors to list on the audition form the roles they most identify with. We also list race/ethnicity when specific to the character, but are otherwise seeking all races and ethnicities.*
