

Circle Theatre in Grand Rapids, Michigan

is currently seeking Technical Theater applicants for their

2020 Summer Theater Season!

Paid Positions to be filled include:

Interns: Backstage: including scenic construction, painting, and lighting. These positions will also include occasional Pick-up and delivery of items, using the theatre's vehicle, and being on-call during select performances.

Three positions to fill. \$3500 stipend each.

Master Technician: Scenery (ATD): Supervises interns in construction of scenic elements and during the load-in period; will assist Technical Director in planning and scheduling construction and load-in of scenic elements. This position will also include occasionally being on-call for certain performances.

One position to fill. \$4500 stipend.

Master Technician: Lighting: Responsible for reading lighting designers plans and implementing the hanging of instruments; work with the lighting designer during focus and tech week.

Up to 6 positions to fill. 1 load-in/focus/strike period per production, \$500 stipend per production.
