

# CIRCLE THEATRE

## INTERESTED IN CIRCLE'S 2020 SEASON BUT CAN'T BE IN GRAND RAPIDS FOR AUDITIONS?

Submit your video for consideration for the following:

DISASTER! | MOON OVER BUFFALO | ALWAYS... PATSY CLINE | NOISES OFF | HAIR  
GOLDBLOCKS... | AMERICAN GRAFFITI SEASON KICKOFF | SUMMER CONCERT SERIES

**STEP 1: MAKE A VIDEO.** Film your 16-32 measures/vocal audition along with an accompanist (absolutely no a capella; tracks should be avoided). Be sure to state your name, the song you're singing, and the shows that you're auditioning for before you begin. Auditioning for *Disaster!* or *Hair*? We'd like to see your moves, too - so either get your dance reel ready OR show us what you've got with your own short combo (show us a kick to show off your extension, a turn, and a jump) to the music of your choice. Thinking about a play instead of a musical? Contact us at the email below for sides to use in your video. Auditioning for *American Graffiti* and/or *Summer Concert Series*? We request two contrasting audition songs, inspired by the genres of the shows that you're interested in.

**STEP 2: UPLOAD TO YOUTUBE.** Upload your audition with your name and Circle Theatre Audition 2020 in the title and mark it "public". Have a dance reel? Upload it with your name and Circle Theatre DANCE Audition 2020 in the title and make it "public". If you're a real wizard, you can combine the two videos into one before uploading! We'd love that.

**STEP 3: REGISTER.** Complete your audition registration form online at <https://circletheatre.org/auditions/>. Sign up for the "VIDEO AUDITION" appointment slot. Download, complete, scan and email your conflict calendar to the email below and include the link(s) to your video(s). All steps must be completed by noon on Tuesday, March 3rd.
